VETERINARY AND MAINTENANCE DOG FOOD

APL is a line of veterinary and maintenance pet foods, developed by animal nutrition specialists and veterinarians. Our mission is to support the health and comfort of pets' lives—from everyday prevention to professional solutions during illness and recovery. Thanks to modern technologies, carefully selected ingredients, and a genuine passion for animals, we create products that meet the highest standards of quality and safety.

EUPHORIA

Veterinary Diet

Canine Hypo Allergenic

Veterinary diet – a complete dry dietetic food for dogs suffering from ingredient and nutrient intolerances. An appropriate balance of essential nutritional properties, tailored to the specific condition.

SALMON OIL (OMEGA 3 & 6)

A concentrated source of unsaturated fatty acids that support the skin, coat, brain, and heart. Enhances the palatability of the food.

PREBIOTICS (FOS & MOS)

Prebiotics support the dog's intestinal microflora, improving digestion, immunity, and nutrient absorption.

CHICKEN-FREE

A formula based on hydrolyzed salmon protein and rice, suitable for dogs with chicken protein intolerance and digestive issues.

GRAIN-FREE

A grain-free recipe, suitable for dogs with sensitive digestive systems and skin issues.

HYDROLYZED SALMON PROTEIN
The hydrolysis process breaks proteins down into smaller peptides, significantly reducing the risk of allergic reactions. Ideal for dogs with food intolerances, including sensitivities to poultry, beef, or grains.

RICE AND POTATOES
Easily digestible, gluten-free sources of energy that do not burden the dog's digestive system. They support proper digestion and provide a valuable alternative to grains in the diet of dogs with food intolerances.

POLSKI PRODUCENT

Health & happiness

Complete *veterinary pet food*

- Amino acid chelates (zinc, iron, selenium, manganese, copper) – highly bioavailable forms of minerals. They support immunity, skin and coat health, and the condition of joints and bones. They do not interfere with the absorption of other nutrients, minimizing the risk of deficiencies.
- A complete set of vitamins B, A, D3, E, and C – supports metabolism, immunity, skin, and coat health.
- Artichoke extract – supports the liver and detoxification processes.

INGREDIENTS

Rice 42%, hydrolyzed salmon protein 19%, sweet potatoes, oils and fats, beet pulp, potato protein, minerals, dried apple, yeast, carob flour, milk thistle seeds 0.1%, mannan-oligosaccharides (MOS) 0.1%, parsley 0.1%, fructo-oligosaccharides (FOS) 0.1%, cranberries 0.1%, sea buckthorn berries 0.1%, Yucca schidigera 0.1%, glucosamine 500 mg, chondroitin sulfate 500 mg, Harpagophytum procumbens (devil's claw) 100 mg, Boswellia serrata 100 mg, inactivated bacteria and their parts (Lactobacillus paracasei) 0.01%.

*Selected protein sources – hydrolyzed salmon protein, potato protein
*Selected carbohydrate sources – rice, sweet potatoes.

Veterinary Diet

Canine Liver Care

Veterinary diet – a complete dry dietetic food for dogs supporting liver function in cases of chronic liver insufficiency. Food intended for specific nutritional needs of dogs.

SALMON OIL (OMEGA 3 & 6)

A concentrated source of unsaturated fatty acids that support the skin, coat, brain, and heart. Enhances the palatability of the food.

PREBIOTICS (FOS & MOS)

Prebiotics support the dog's intestinal microflora, improving digestion, immunity, and nutrient absorption.

MILK THISTLE (SYLIMARINA)

Contains silymarin, which supports liver cell regeneration and has anti-inflammatory and antioxidant properties.

MODERATE PROTEIN CONTENT

High-quality protein content (17.5%), ideal for cases of chronic liver insufficiency.

HYDROLYZED TURKEY

The hydrolysis process breaks proteins down into smaller peptides, significantly reducing the risk of allergic reactions. Ideal for dogs with food intolerances.

RICE AND POTATOES

Easily digestible, glu-ten-free sources of energy that do not burden the dog's digestive system. They support proper digestion and provide a valuable alternative to grains in the diet of dogs with food intolerances.

EUPHORIA

Veterinary Diet

Canine Adult
Skin Care

Complete dry food for mini and small breed dogs with added fresh turkey.

FRESH TURKEY & LAMB

JOINT SUPPORT

Glucosamine, chondroitin, devil's claw, and Boswellia serrata support joint flexibility and health, helping maintain the dog's comfort of movement.

AMINO ACID CHELATES

Improved bioavailability of trace elements (zinc, iron, selenium, manganese, copper); they support immunity, healthy skin and coat, and improve overall condition.

CHICKEN-FREE

A recipe free from chicken protein – supports the diet of dogs with sensitivities and food intolerances.

GRAIN-FREE

A grain-free recipe, suitable for dogs with sensitive digestive systems and skin issues.

TURKEY
A source of highly digestible protein, rich in B vitamins and valuable minerals. Supports metabolism, immunity, and healthy skin and coat.

LAMB
Tender, high-quality, rich in protein, iron, and zinc. Supports muscles and immunity. Recommended for dogs with sensitive digestive systems.

Granule size: 0,9 cm*

JUNIOR
Medium & Large

EUPHORIA

Veterinary Diet

Canine Junior Care

Complete dry food for medium and large breed puppies with added fresh turkey.

FRESH TURKEY MONOPROTEIN

JOINT SUPPORT

Glucosamine, chondroitin, devil's claw, and Boswellia serrata support joint flexibility and health, helping maintain the dog's comfort of movement.

AMINO ACID CHELATES

Improved bioavailability of trace elements (zinc, iron, selenium, manganese, copper); they support immunity, healthy skin and coat, and improve overall condition.

CHICKEN-FREE

A recipe free from chicken protein – supports the diet of dogs with sensitivities and food intolerances.

GRAIN-FREE

A grain-free recipe, suitable for dogs with sensitive digestive systems and skin issues.

TURKEY
A source of highly digestible protein, rich in B vitamins and valuable minerals. Supports metabolism, immunity, and healthy skin and coat.

MONOPROTEIN

Single animal protein source – a safe choice for dogs requiring an elimination diet.

Granule size: 1,2 cm*
